

On Eagle's Wings

COVID-19 Update

Dear Friends,

Thank you for your continued support of *On Eagle's Wings*. Please know that we are praying for you all during these trying times. You may be wondering what is going to happen to Bible Camps this summer. The camps that are already planned for July and August are not being cancelled at this point. It is too early to determine what's going to happen 4 months from now. However, we are not actively scheduling more camps until we have a clearer idea of how long we need to maintain social distancing. We want to keep our northern friends safe. In order to respond to community requests once restrictions are lifted, we are still receiving applications to teach camps. Please consider applying to teach, specially if you are not restricted to going north in the summer. It is entirely possible that we will receive more requests from communities for 'off season' camps in the fall or winter.

For now, we are doing our best to be Jesus' presence to communities via phone, email, and social media. It is important that our northern brothers and sisters continue to know that we love them and walk with them.

Our Edmonton office is open regular hours: Tuesday-Friday 9am-5pm MT. However, in order to observe appropriate social distancing and keep each other safe, there will only be one staff member in the office at one time. This means that Pastor Lesley will work from home part of the week. The best way to reach us is by email or phone (leave a message if we are not able to answer right away). Much as we love to see you, please do not drop by the office.

Remember that Jesus has promised that he will never leave us nor forsake us. Our hope is in him. And we know that he is ultimately trustworthy to keep his promises.

We will keep you updated as things progress.

Executive Director
