

Please join us in a shared pandemic craft project to create a decorative textile for the Cathedral narthex. We will be gathering white knit, crocheted, and woven squares at the Cathedral between December 1st and January 15th.

The squares will be joined together into a shared piece that shows that even when we are apart, we can do great things together through Christ. I hope you will consider contributing a square as a concrete act of solidarity with each other and an expression of hope that we will get to the other side of the pandemic and gather together as a diocese once more.

If you'd like to make a square, please make it:

- solid white or off-white
- minimum 4 inches and maximum 20 inches across
- from fingering/sock weight yarn (or lighter) if possible

Finished squares can be mailed to the Cathedral at All Saints Anglican Cathedral - 10035 103 St. Edmonton, AB T5J 0X5.

Please wash, block, or wet finish your square as appropriate before sending it in. If you'd like to participate but aren't able to purchase yarn, please get in touch and I will mail or drop off some yarn.
