

A ZOOM Lenten Quiet Day

A Micah Challenge for our Lenten Journey

Each of us - people called into a covenant relationship of love and friendship with God: the beloved in whom God is well pleased - are called to this vocation. Each of us is the object of God's love song - to each of us God sings: "I am the Lord, I hold you in my love forever". It is into this love song of God's that we are called to act justly, love tenderly, and walk humbly with our God.
