

EXPRESSIONS OF HOPE: VOICES OF A RESURRECTION PEOPLE

A collaboration of the Edmonton & District Council of Churches and Providence Renewal Centre

This Lent, voices from a variety of Christian denominations share reflections on how scripture invites experiences of Divine providence. Listen to the weekly pre-recorded message (posted every Tuesday during Lent), and/or join other listeners and Providence Renewal Centre staff on Wednesday evenings to discuss what you noticed, wondered about, and appreciated. This is an opportunity to hear a variety of perspectives and to dialogue with Christians of differing denominations.

**Wednesdays February 24, March 3, 10, 17, 24
(7:00 pm) to (8:00 pm) . # 14243**

Pre-registration required for Zoom access. One link provides access to all sessions – join us whenever you are able.
