TYP TOP Bakery- CALL FOR VOLUNTEERS

Trinity Youth Project (TYP) supports youth, ages 15-24, facing difficult realities in our community. We strive to come alongside youth who have been marginalized and empower them to overcome the barriers they face in order to live life to the fullest. We do this by building meaningful relationships through our programming, allowing us to better address the underlying needs our youth may have. We welcome all youth regardless of their background, circumstance, religion, ethnicity, sexual orientation, gender, or any other aspect of their identity! <https://edmonton.anglican.ca/what-we-do/trinity-youth-project>

Clark Hardy, Outreach Youth Coordinator for the Diocese of Edmonton, has been doing an amazing job with the Trinity Youth Project based at Holy Trinity Anglican Church in Old Strathcona. Clark is working with one full-time and one part-time chef in the TYP TOP Bakery, six days a week from noon to 6:00 pm. The small team of staff and volunteers are currently operating at capacity with kitchen and administrative duties as well as deliveries of baked goods to the various organizations and cafes.

They need our HELP!

In fact, with help from us, Clark would be able increase sales to local businesses, take individual orders AND provide more job opportunities for our youth. Especially in light of COVID-19, they hope to offer customers peace of mind when ordering from TYP TOP Bakery by offering a delivery option. YOU can make a BIG difference by becoming part of this vital ministry that 'supports meaningful relationships with youth while giving them employment experience.'
