

# ADVENT FAMILY NIGHT

## PREPARING TO PREPARE

### IN COLLABORATION WITH EDCC

It is so easy to get swept away on the road to Christmas. Between shopping, school recitals, office parties, non-stop Hallmark movies, there is so much to distract from family time and the preparation for the celebration for the birth of Christ. In partnership with the Edmonton District Council of Churches, Providence Renewal Centre invites families to join us in Preparing to Prepare. Through crafts, activities, reflections, and stories, journey as a family and prepare to prepare.
