

## Application for Co-ed Weekend Friday, May 3 to Sunday, May 5, 2024

### What is Cursillo?

Cursillo is a movement of the church promoting Christian ideals, fellowship and spiritual growth in daily living.

A Cursillo weekend is held yearly to introduce others to Cursillo. We hope to provide an experience enabling you to follow Jesus more faithfully and effectively.

### What is a Cursillo Weekend?

A Cursillo weekend is a personal, lively and informative event with presentations, discussions, music, worship and fellowship.

It provides an opportunity to enhance your Christian faith and to experience the love of God within a supportive and prayerful community.

### What is the Cost of the Weekend?

Much of the approximate cost of your weekend is covered by those who have attended previous weekends. During the weekend, you are given the opportunity to make a tax-deductible donation towards the future attendance of others.

Finances should not affect your decision to attend a weekend. Please talk to your sponsor or clergy member about any concerns that you have.

### Who Should Participate in a Cursillo Weekend?

A Cursillo weekend is largely intended for those who are:

- Christians 18 years of age and older

- interested in exploring what it means to be a Christian in the world today.

A Cursillo weekend is also of value to Christians who live as Christians and who would like to become (more) involved in the church.

Experience over the years has led to the following recommendations. We ask you to consider that:

- A person should wait at least a year before attending a Cursillo weekend following a major life event such as:
  - marriage counselling;
  - a change in marital status;
  - serious illness;
  - bereavement.
- For married couples, it is desirable that both the partners attend Cursillo weekend.
- People with mental health issues should attend a Cursillo weekend only when they are well.
- People with physical limitations should first check with the registrar to determine what arrangements can be made to facilitate full participation.

Please comment below on any of the above that present a problem for you.
