

Since 1999, **No Room in the Inn** has led a highly successful cross-denominational Christmas campaign to raise money for housing and housing improvements for those in need. No Room In the Inn is inspired by the story of Mary and Joseph, who arrived in Bethlehem to discover there was no room in the inn for them, They found a place in a stable, where they welcomed their son, Jesus

No one in our community should be without safe, adequate housing

For the 2024 No Room In the Inn campaign, your congregation is invited to support **Youth Empowerment & Support Services (YESS)** to provide a new roof for their Whyte Ave. facility, originally built in 1911. The roof is in dire need of repair, with ongoing leaks and damage to the building. NRII support will enable it to finally be replaced
