# Health Justice Solidarity

*Why Global Health is Social Justice*

**A Conversation With**

**Dr. Joia Mukherjee, MD, MPH**

Senior Clinical and Academic Advisor, Partners In Health;  
Associate Professor of Global Health and Social Medicine,  
Harvard Medical School

Dr. Joia Mukherjee, MD, MPH, is an internist, pediatrician, public health and infectious disease specialist, author, and human rights advocate. Dr. Mukherjee is an Associate Professor of Global Health and Social Medicine at Harvard Medical School, and Senior Clinical and Academic Advisor for Partners In Health, where she served as Chief Medical Officer from 2000-2025. Dr. Mukherjee provides strategic guidance on the implementation of clinical programs at PIH's sites in 11 countries. She has served as an expert consultant for the World Health Organization and Ministries of Health on HIV, TB, health systems strengthening and health work force development.
